

Spectra Inc. Announces Upsize and Completion of Private Placement

For Immediate Release – July 2, 2019

Toronto, Ontario – Spectra Inc. (SSA: TSXV) is pleased to announce that it has closed its previously announced non-brokered private placement (the "**Offering**"). The Offering was increased from \$825,000 to \$830,000. Spectra Inc. (the "**Corporation**") has issued 16,600,000 units (the Units) at a price of \$0.05 per Unit for gross proceeds of \$830,000.

Each Unit consists of one common share ("**Common Share**") in the capital of the Corporation and one-half of a Common Share purchase warrant (each a "**Warrant**"). Each whole Warrant will entitle the holder thereof upon payment of \$0.075 to acquire one Common Share at any time prior to 5.00 p.m. (Calgary time) on December 28, 2020 ("**Expiry Time**"). If, at any time after the Warrants are issued, the closing price of the Common Shares on the TSXV for any fifteen (15) consecutive trading days equals or exceeds \$0.12, the Corporation will have the option to, upon issuing a news release, accelerate the Expiry Time of the Warrants to 5:00 p.m. (Calgary time) on the date that is thirty (30) days following the date of such news release (the "**Accelerated Expiry Time**"). Any Warrant not exercised prior to the Expiry Time or the Accelerated Expiry Time, as applicable, shall be deemed to be void or of no further force and effect.

The Corporation paid finders' fees in the aggregate amount of \$34,125 which is equal to 7% of the gross proceeds of the Offering raised by such finders.

The Common Shares and Warrants issued pursuant to the Offering are subject to a four month plus one day hold period.

The Corporation intends to use the net proceeds of the offering to payout the royalty debenture of Spectra Products Inc. in the amount of \$652,065 due August 6, 2019 and for general corporate purposes.

Spectra Inc., through its subsidiary, Spectra Products Inc., is the Toronto-based North American designer, manufacturer and distributor of Brake Safe[®], the visual brake stroke indicating system, Brake Inspector[®], the Corporation's electronic in-cab air brake diagnostic system and the Termin-8R[®] line of anti-corrosion and extreme pressure lubricants. Spectra Products Inc. distributes Zafety Lug Lock[®], a lug nut retainer that uses the resistance between wheel nuts to minimize their ability to rotate and loosen, reducing the risk of wheel damage or wheel loss and Hub Alert[™], an innovative heat sensing label that provides an alert for overheating wheel ends, reducing the risk of bearing failure and corresponding maintenance and repair costs.

Reader Advisory

Forward-Looking Statements. This press release contains forward-looking statements and information. More particularly, this document contains statements and information concerning the use of proceeds from the private placement. Forward-looking information is frequently characterized by words such as “intend”, “will”, “believe”, or other similar words, or statements that certain events or conditions “may”, “should” or “could” occur.

The forward-looking statements and information are based on certain key assumptions made by the Corporation, including assumptions concerning the use of proceeds from the private placement. Although the Corporation believes that the assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because the Corporation can give no assurance that they will prove to be correct. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, risks that required regulatory approvals are not obtained and that the private placement is not completed due to other closing conditions not being satisfied.

The Corporation does not undertake any obligation to release publicly any revisions to forward-looking information contained herein to reflect events or circumstances that occur after the date hereof or to reflect the occurrence of unanticipated events, except as may be required under applicable securities laws.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
