

Spectra Inc. Reports First Quarter 2016 Results

For Immediate Release – May 12, 2016

Toronto, Ontario – Spectra Inc. (SSA: TSX VENTURE) reports the release of its financial results for the first 3 months of 2016. Revenues for the period ending March 31, 2016 were \$429,460 compared to \$352,031 for the same period in 2015.

The first quarter ending March 31, 2016 showed a net profit of \$57,544 compared to net profit for the three-month period in 2015 of \$18,049.

Spectra Inc., through its subsidiary, Spectra Products Inc., is the Toronto-based North American designer, manufacturer and distributor of Brake Safe[®], the visual brake stroke indicating system, Brake Inspector[®], the company's electronic in-cab air brake diagnostic system and the Termin-8R[®] line of anti-corrosion and extreme pressure lubricants. Spectra manufactures and distributes the new ARROW LOGGER[™] brake stroke data logger that has been designed to enhance the performance of the Brake Safe[®] system. Spectra distributes Zafety Lug Lock[®], a lug nut retainer that uses the resistance between wheel nuts to minimize their ability to rotate and loosen, reducing the risk of wheel damage or wheel loss and HUB ALERT[™], an innovative heat sensing label that provides an alert for overheating wheel ends, reducing the risk of bearing failure and corresponding maintenance and repair costs.

Except for the historical information contained herein, this news release contains forward looking statements that involve risks and uncertainties, including the impact of competitive products and pricing and general economic conditions as they affect the Corporation's customers. Actual results and developments may therefore differ materially from those described in this release.
